Legislative Education Notice (Vol. 1, No. 10)

**RE: BILL # HF 1031/SF 974**

**VOTE YES for Nonpartisan Welfare Reform:**

**Clarify Eligibility Standards for Title IV-D Welfare Services** (*because currently no eligibility exists*)

Dear \_\_\_\_\_

This is a story about four people named  
Everybody, Somebody, Anybody, and Nobody.

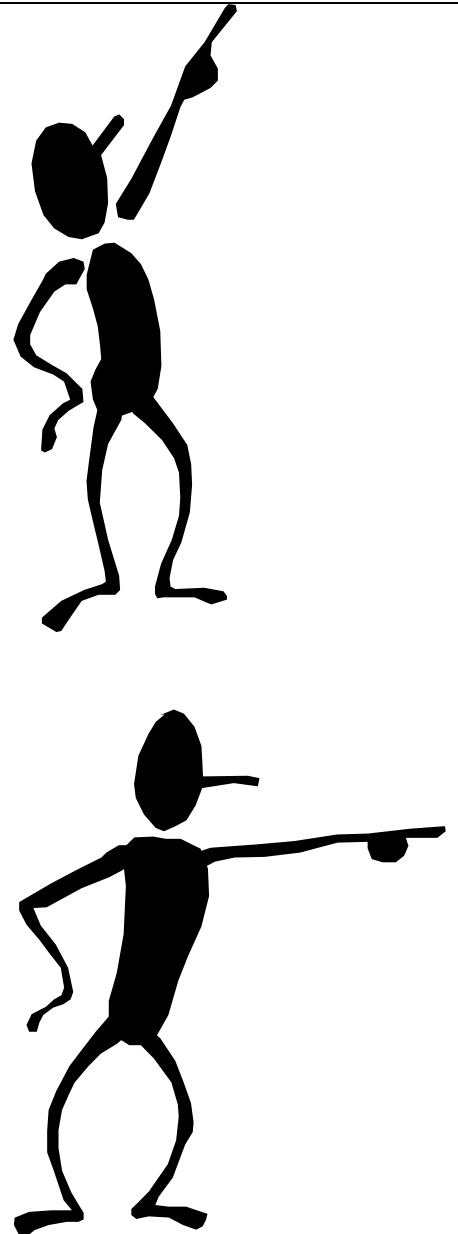

There was an important job to do and  
Everybody was sure that  
Somebody would do it.  
Anybody could have done it, but  
Nobody did it.

Somebody got angry about that, because it was  
Everybody's job.

Everybody thought Anybody could do it, but  
Nobody realized that  
Everybody wouldn't do it.

It ended up that Everybody blamed  
Somebody when  
Nobody did what  
Anybody could have done.

Leadership means tough decisions,  
and  
20 year old outdated paradigms must shift,  
because:

NEXT YEAR Vote YES for nonpartisan welfare reform to save \$100 million a year, and Vote YES for Title IV-D eligibility standards, to eliminate unnecessary public aid to those who make \$75,000 a year and are not in need, in order to preserve services for the truly needy, who we all want to help!

I am an affected [ ] citizen, [ ] parent, [ ] grandparent, [ ] second spouse, [ ] child of divorce, [ ] other. Our children have been exploited by the Title IV-D system and government intrusion has destroyed what little remains of most fractured families.

**I request a meeting with you to share my story and find out what you will commit to doing next session to prevent further atrocities for Minnesota families struggling to find healing, make our families cooperate, and grow healthy children?**
